

Welcome to Connexis Cash, BNP Paribas's global E-banking application for corporates.

With the token, you can generate a dynamic one-time password to securely login to Connexis Cash and to digitally authorize payments.

### What you need from BNP Paribas to get started:

- BNP Paribas token
- Sealed letter which contains an activation key and an authentication ID

### Activate the token

1. Switch on the token by pressing on the  button.
2. Enter the **Activation Key**. You can find the activation key in the sealed letter.
3. Enter a **6-digit personal PIN** code of your choice.
4. Re-enter your personal PIN code.

### Generate a login password

1. Go to the Connexis Cash web page or the mobile app and enter your 8-digit **Authentication ID**. You can find the authentication ID in the sealed letter.

2. Switch on the token .
3. Enter your personal PIN code.
4. Enter **"1"** as the application number. The token generates a login password.
5. Enter the generated password by the token onto the login screen.

### Forgotten password or Locked token?

If you forget your password, you will need to lock the token by typing any PIN 6 times to get a LOCK PIN number.

If you enter 6 wrong PIN codes, the token will be locked and a LOCK PIN will be displayed.

### To reactivate the token,

- Contact your BNP Paribas officer to obtain a new activation key.

### Generate a password for signing payments

When you arrive on Connexis Cash's authorization screen to sign payments:

1. Switch on the token .
2. Enter your personal PIN code.
3. Enter **"2"** as the application number.
4. Enter the **8-digit challenge code**, as displayed on the authorization screen password. The token generates a password.

5. Enter the generated password onto the authorization screen.

- Provide the LOCK PIN displayed on the token and the 10-digit token serial number which can be found at the back of the token.

- With a new activation key provided by the Bank, you can follow the activation process

### Low battery?

When the token displays BATTERY LOW, contact your BNP Paribas' officer to receive a new token or switch to a mobile token.
